

KAUAI

HEALTH & WELLNESS ASSOCIATION

VISION

The Kauai Health and Wellness Association will be the recognized leader in promoting economic development of healthcare companies and professionals.

MISSION

The Kauai Health and Wellness Association promotes, develops and strives to improve economic growth and stability for the Health and Wellness Industry in the County of Kauai.

As the professional organization representing the health and wellness business sector, KHWA provides leadership, promotes high standards, fosters unity and advances positive industry growth.

The Kauai Health and Wellness Association (KHWA) is a non-profit, membership-based organization that represents all businesses concerned with issues of health and wellness. From individual practitioners to large facilities, the association is open to healthcare professionals and everyone with a vested interest in the wellness of Kauai residents and visitors alike.

Our membership is the strength and spirit of KHWA. Members create a powerful community with compassion, credibility, direction and authority. Together we are the pool of expertise and resources for Kauai's health-care network. The Kauai Health and Wellness Association provides members a unified voice to inspire proactive change and positive community involvement.

KHWA goals and “authorized member” benefits:

- Establish healthcare industry standards and a code of ethics.
- Website presence for information on individual members and their services.
- Provide group marketing with shared resources to help individual and large businesses.
- Ongoing training opportunities with classes, workshops and seminars.
- Government lobbying/representation for industry related issues.
- Enhance industry growth through development and promotion.
- Member-to-member business advantages and networking.
- Offer a group medical insurance plan.
- Promote research and development initiatives.
